

CORPORATE SYNOPSIS

Global M&A Network continues to win confidences of prestigious entities—from Shanghai to Dubai, Mumbai to London, New York to Chicago to San Francisco!

Programs organized by Global M&A Network focus on topics of direct importance to the worldwide M&A and investment communities. We strive to bring together authoritative leaders and qualified industry executives to share their expertise during these tough economic times by encouraging discovery of actionable solutions in mergers, acquisitions, turnaround and alternative investments industries.

Success stems from the senior management's 40 plus years of collective experience producing preeminent financial programs in North America, Europe, Asia, Australia, Latin America, Africa, and Middle-East regions. Over the years, managing team has produced over 200 world-class financial and investment management programs—from Africa to Australia, Asia to the Americas.

Significantly, the managing team has hands-on experiences having worked for leading Wall Street investment banking firms; publishing; and strategic consulting organizations through their respective careers.

The M&A Atlas Awards® program spotlights and honors legendary leaders, top deals, sought-after dealmakers and outstanding institutions in the mergers, acquisitions, alternative investing and industry participants.

Gold standard of performance, the awards program is founded on principles of authenticity, objectivity and excellence. Winners are officially revealed and recognized during the M&A Atlas Awards Gala—a formal gathering of A-list leaders, dealmakers and experts from the industry.

Prestige of the award emanates from you—the nominee. Any professional from the industry can enter nominations on behalf of their organization, colleagues, clients or peers from the industry. There are NO fees to enter nominations.
